Personal Questions

What is your favorite track?	It is a tie between Waterford Speedbowl and Seekonk Speedway. Waterford because I have put in a lot of laps there and it feels like my home track. Seekonk because of the challenge.
Why did you get involved in NEMA racing?	My father raced with NEMA for many years so it was only natural to move up to Midgets after racing go-karts for over 15 years.
What are your goals in racing?	I want to be competitive on pavement like I was on the dirt tracks.
Biggest influence in your life?	My parents. My dad for introducing me to the racing world and my mom for always supporting what we love to do.
