The following handicaps were compiled using the new handicap rules voted on at our annual meeting. This year handicaps will be based on driver finishes for the previous 5 events they participated in, within the span of the last 15 race events. To begin the season that includes races back to the second race of the 2016 season. All races scored previous to that, get the EXP (expired) designation, which scores as 1st place finish. A NEW designation is given to all new or returning drivers who have no handicap. After participaing in 3 races the 4th and 5th race are filled with the average (Avg) of their completed races.
