

Ames True Value NEMA LITES 65

WISCASSET SPEEDWAY – SAT., SEPT. 23, 2017

- Three New Tires Allowed **only ONE New RR per car**
- All tires new and used will be inspected and marked
- It is the team's responsibility to get tires marked the staff will be around to each team
- Teams can stage and pit in the infield during the feature, yellow flag pit stops will be allowed
- Yellow flags will allow for one full lap after the track is all clear before the one to go is given so the pits can clear
- Race will have **10 lap** heats
- Race will be **65 laps** long unless weather or emergency circumstances dictated (not expected)
- Post race tire inspection must have only three new tire marked on or used marked tires any tires unmarked will be considered new and disqualified.
- There is no refueling with the driver in the cars.
- Teams are instructed to be prepared to run 65 green flag laps and 35 yellow flag laps.
Recommended 15 gallons minimum.
- If we encounter more than 100 total laps yellow and green and the race is not completed a red flag for refueling will be thrown.
- Fire extinguishers should be present in the pit area if refueling is necessary.
